Announcing the 2014 Application to the
LSAMP GLOBAL AWARENESS PROGRAM, CHIANG MAI, Thailand
Tentative dates: June 19-Aug 1, 2014

CSU-LSAMP will be supporting six (6) students to participate in collaborative research with Thai faculty and students at Chiang Mai University, Thailand. The CSU-LSAMP program is supported by funds from the United States National Science Foundation (NSF:HRD-0802628), the CSU Office of the Chancellor, and 23 participating CSU campuses.

Only current, active LSAMP students with at least one semester remaining before graduation are eligible to apply. Minimum GPA in the major should be above 2.8 with at least 12 units completed. Participants must have a current passport. Covered costs include return airfare travel LAX to Thailand, housing in Thailand and a per diem to cover incidentals, local travel, and food.

Participants will be selected on the basis of their academic qualifications and preparation, faculty and program director recommendations, ability to adapt to a different culture and climate, ability to work in a team, enthusiasm for international education and research, and the availability of project in their selected field. All applicants will be interviewed by Skype, and the final selection of participants will be completed by March 21.

For questions concerning the Global Awareness Program, contact the LSAMP program at CSUF LSAMP@fullerton.edu or your campus coordinator.

DEADLINE: All materials must be received by 5:00pm, March 17, 2014 at LSAMP@fullerton.edu.

V. Letters of Recommendation

Please arrange for two letters of recommendation to be received by this office no later than 5:00 pm, March 17. One letter should be from the LSAMP director at your home campus. One should be from a current or former research advisor or a faculty member who can discuss your potential for research. Letters should be emailed directly to LSAMP@fullerton.edu.

VII. Participation Agreement

Please read the statement below and digitally sign where indicated:

The information I have submitted in my CSU-LSAMP Global Awareness Application is true and accurate to the best of my knowledge. To be eligible for the international program I understand that I will be required to participate in various program activities as determined by the program coordinator. I understand that if selected for the program I will be expected to abide by a Code of Conduct that will be provided to me. I further understand that failure to abide by the Code of Conduct may result in dismissal from the program. I understand that all expenses that I incur, including transportation, lodging, etc. following dismissal from the program will be at my own expense. I understand that to track the progress of the CSU-LSAMP students and to evaluate program effectiveness, CSU-LSAMP requires access to student information. The CSU-LSAMP program is required to report individual student data to the National Science Foundation including social security number, ethnicity, GPA, and enrollment status. Photographs and research abstracts may also be obtained for use by the CSU-LSAMP program in program dissemination materials such as websites, newsletters, and reports. The student data are collected by the CSU-LSAMP Statewide office at California State University, Sacramento and each of the affiliated Alliance CSU campuses.

I have read and understand all of the statements above.
